KÜARTZ
SURFACES

Established in 2019, Kuartz Surfaces joined the business group and it became the first and only Quartz Slabs Factory in Mexico.

Kuartz Surfaces is a company dedicated to the manufacture of Quartz Slabs used in hospitality and commercial projects.

Fabrication is available for custom projects and/or kitchen countertops.

Benefits to doing business with us:

- Enclose several markets
- Quality Guaranteed
- Custom Products
- Nationwide Shipping

Our advantages

Formats

Different applications need different formats; we engineer custom ones based on your specifications.

Styles

Here, you have the widest options of quartz slabs, including color, pattern, edge designs.

Textures

With the aim of being adapted to your style, Kuartz Surfaces offers you 2 types of finishes: Polished & Matte finish.

CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.
